Office Letter/Highlights

Happy New Year Everyone!!! We are so thankful to be going into the New Year with our children here and their families. We would like to thank everyone who helped make our Winter Wonderland parties a success. Also thank you to everyone who donated to our toys for tots, toy drive. The Fire Department was extremely grateful. This month our Character Essentials is: We get along. The goal this month is to focus on the ways to get along with others and create a peaceful community. Through exposure to different cultures and situations, the children will learn that others have different ideas, interests, and strengths. The hope is that they will learn to show acceptance and compassion toward those who are different from themselves. As part of a group, it is also important to learn to have forgiveness and loyalty toward each other.

- Acceptance: treating everyone with respect and understanding regardless of differences; understanding how we are alike and different
- Forgiveness: letting go of negative feelings toward a person who has caused hurt or harm
- Loyalty: feeling devotion or faithfulness toward family members, friends, country, or a cause in which one believes
- Teamwork: working together with other people to get a shared result

Another safety remember: there is no parking in the red zone. To many people are parking in the red zone at drop off and pick-up. This is not acceptable as it does block the roadway for emergencies as well as block the foot traffic. Our goal is to keep everyone as safe as possible, we thank you all in advance with your help in this.

As a reminder, with the colder weather, please make sure your child's has a jacket daily and is dressed in appropriate weather clothing. Please double check your child's extra clothing to make sure it still fits and is the correct season of clothing.

We have noticed several families have not been walking their student to the classroom. This is a safety requirement of our academy and the State of California. Children are not to wonder the halls without supervision. This goes for all students 2 years- 12 years old. Also as reminder please let us know in writing if someone other than a pre authorized person will be picking up your little one, if they are not on the pick up list or we have not been told they will not be released and you will be receiving a phone call.

We are looking forward to a fun and exciting year with all of our current and new families. if there is ever a concern or even a question please know that our door is always open.

Happy New Year,
Ms Mel and Ms Zoey

Happy New Years Turtles! January 2025

This month we will be focusing on themes: Acceptance, forgiveness, loyalty, teamwork, and Ezra Jack Keats

Our goal this month is to help children understand that each person has his or her own abilities and strengths. We should celebrate our differences and learn about one another. Children will need guidance to understand how to treat those who may act or do things differently from them. In turn, the children will learn what loyalty means and how being loyal to one another despite our differences and similarities is important in being a valuable member of their class and community.

Character Essentials-

1. Acceptance : Treating everyone with respect and understanding regardless of differences; understanding how we are alike and different
2. Forgiveness: Letting go of negative feelings toward a person who has caused hurt or harm

Classroom Updates

Happy New Years and Happy January 2025 Stingrays!
I hope everyone had a wonderful holiday season and ready for the new year!

The goal this month is to focus on the ways to get along with others and create a peaceful community. Through exposure to different cultures and situations, the children will learn that others have different ideas, interests, and strengths. The hope is that they will learn to show acceptance and compassion toward those who are different from themselves. As part of a group, it is also important to learn to have forgiveness and loyalty toward each other. School age children are able to recognize the feelings of others and the reasons for the feelings. By learning how to ask for forgiveness, forgive others, and let go of things, they will build stronger relationships and work better as a team.

Character Essentials: We Get Along

- [] Acceptance: treating everyone with respect and understanding regardless of differences; understanding how we are alike and different
- [] Forgiveness: letting go of negative feelings toward a person who has caused hurt or harm
- [] Loyalty: feeling devotion or faithfulness toward family members, friends, country, or a cause in which one believes
- [] Teamwork: working together with other people to get a shared result

Dates to remember!

Wednesday, January 1st - We are closed

Birthdays this month:

1/4 - Charles
1/6 - Ariana
1/9 - Lillian
1/27 - Ms Tonna

I welcome donations of age appropriate magazines to use in class art projects. The children enjoy finding pictures to cut out and glue to make collages regarding different topics we talk about. If you have any that could be saved from the trash, please consider donating them. I am also interested to gently used games for 6 - 9 year old's. If you have some you could donate, please bring them by and I would love to see if we can use them in the class.

If you have any questions, please let me know.
Thank you so much,
Ms. Tonna
